Special thanks to our non-profit collaborators

1,006 STUDENT MEMBERS

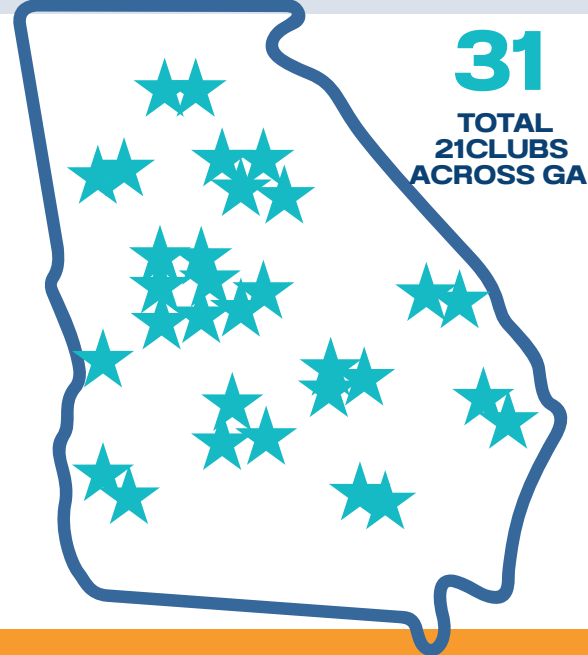

466 TOTAL MEETINGS

173 TOTAL SERVICE PROJECTS & FORUMS

243 TOTAL SENIORS EARNED 21CL HONOR CORDS

*"Being part of the 21st Century Leaders Club has been a **transformative experience**—not just for me as a student leader, but for our entire school community. It was the **first club where I truly stepped outside of my comfort zone to lead, organize, and advocate for change.** As president, I learned how to manage a team, plan impactful service projects, and create a space where other students could grow into leaders themselves. The club gave students from all backgrounds an opportunity to connect with professionals, give back to the community, and discover their potential. 21CL helped me find my voice, and in doing so, helped my peers realize they had one, too."— Daniella T., Class of 2025, STEM+21CLub@Lovejoy HS*

\$57,750

Direct Funds to
Schools & Teachers
(Budgets + Stipends)

\$53,500

In-Kind Resources

including Leadership
Connect Enrollment, shirts,
program materials

98%

of students said their
confidence in their
leadership skills has
increasingly improved

99%

of students said the
21CLub made them
more aware of the
needs in their
community and inspired
them to volunteer more

STUDENT OUTCOMES

- 80%** Students agreed that before the 21CLub they were not familiar or somewhat familiar on how to create a service project and/or host a forum.
- 90%** Students agreed that being a member of their 21CLub has given them clarity on their career path after high school and given them employability skills.
- 96%** Students agreed that 21CL provided valuable resources for personal and professional development and valuable networking opportunities.
- 97%** Students agreed that being a member of their 21CLub has expanded their knowledge through the online curriculum “Leadership Connect” and the 21CLub has helped improve their overall leadership skills.

COMMUNICATING EFFECTIVELY	PROBLEM SOLVING	SELF DEVELOPMENT	BUILDING EFFECTIVE TEAMS	ACTION ORIENTED INTEGRITY/TRUST	CAREER AMBITION

LEADERSHIP FORUM HIGHLIGHTS

21CLub@Kendrick High School (Muscogee County) hosted a leadership forum called “Employability Forum”

- **60 students** attended the forum
- **3 professionals** spoke about common employment mistakes and how to deal with on job issues.

21CLub@Charles R. Drew High School (Clayton County) hosted a Leadership Forum called “Financial Literacy” on February 2, 2025

- **65 students** were in attendance, along with Personal Finance teachers.
- The forum addressed the many financial decisions and pitfalls that high school students, college students and recent graduates must navigate.
- A **financial institution representative** and **real estate agent** presented and participated in a Q & A discussion.

21CLub@Dunwoody High School hosted a Leadership Forum on March 5, 2025.

- **23 students** were in attendance for the panel, dinner, and dessert.
- **5 Noble Investment** volunteers served on a panel and hosted a Q&A session
- The club provided raffles for gift cards for all students who attended

SERVICE PROJECT HIGHLIGHTS

The culture of leadership and service we built encouraged more people to get involved. 21CL did more than teach leadership. It created lasting change."

-Avi J., Class of 2025, 21CLub@Northview High School

21CLub@Carver (Muscogee County) hosted a service project that was held **March 3, 2025** at Downtown Elementary serving **140 students**.

- **14** members participated in Read Across America by reading to students in Pre-K through 5th grade.
- They visited **8** different classes: 1 Pre-K; 1- 1st grade; 2-2nd grade; 2-3rd grade; 1-4th grade; 1-5th grade.
- Each teacher received a book donated by the 21CLub to add to their classroom library.

21CLUB@CARVER HS

21CLub@Harris County hosted a food drive and made lunch sacks for their local food banks, FOCUS ,throughout **January 2025**. They:

- Collected over **3,000** items
- Made **150** lunch sacks for the local kids when they are out of school.
- Donated leftovers to FOCUS in addition to the lunch sacks.
- Around **200** people donated and around **20** students helped to pack the sacks.

21CLUB@HARRIS COUNTY

STEM+21CLub@Fulton County Innovation Academy organized a service project known as Earth Month Awareness on **April 25 - April 30, 2025**.

- They hosted an online service project including informational videos about the importance of climate change, sustainability, resource depletion, and pollution.
- **20** students participated in this initiative.

STEM+21CLUB@INNOVATION ACADEMY

21CLub@Pickens County Community hosted a service project on **September 18, 2024**.

- **12** students were involved and **35** senior citizens were impacted.
- They volunteered at the Pickens Senior Center to help with Bingo.

21CLUB@PICKENS COUNTY

*"21st Century Leaders has **inspired** and excited so many of the students not only at the high school, but even at the middle school where they are eager to join. The students have grown so much while they have heavily impacted places in need in the community. The first year just brought so much inspiration and set the stage for what seems like a very bright future for our students and school. We are looking forward to making an even larger impact next year!"*

Mrs. Griffin, Advisor 21CLub@Rome High School
